ABSTRACT

This annotated bibliography is a selected guide to materials in the field of criminal justice that are available in the reference collections of the University Libraries at the State University of New York at Albany. The listing covers materials related to the topics of crime, juvenile delinquency, the criminal justice system, and penology; criminal law and procedure are not covered. Containing more than 100 entries, the bibliography is divided into four sections: indexes and abstracts, bibliographies, dictionaries/directories, and general works. Each section is arranged alphabetically by main entry with a limited number of cross references. Entries provide author (if applicable), title, publication information, area location information, classification number, and a brief annotation. Holdings information is alo given for all indexes and abstracts, and publications of the federal government are included. (Author)
